Study Guide of the Woman's Auxiliary: The Mission

Lesson 1's Devotional "Helping One Another"

Lesson 1 - Pressing Forward

Objective: To affirm the need for Christians to press forward in Jesus Christ.

We are designed to work together in the Christian journey. When we are witnessing Jesus Style, we apply the Christian walk with our daily walks of life.

- Will you follow God's instructions?
- Will you Trust God?
- Do you believe that he will never forsake you?
- Do you believe he will be in the WAR with you?
- Do you believe victory is yours when God is in the battle with you?
- There is no fear of fatigue, darkness, or defeat. When you press your way, you are going to meet with resistance, you will grow weary, but Jesus is always with you. We must press on even when there are signs of Risk and Danger. We must PRESS On. Jesus pressed on for us. Now we must continue to press on for Him.
- Pressing on in Christ guarantees complete victory.

Lesson 2's Devotional Message: "Wait on the Lord"

Lesson 2 - Shortcuts Create Barriers

Objective: To emphasize the importance of not taking shortcuts in developing our spirituality.

Never jump to conclusion about anyone or anything, always wait on the Lord.

- Do not be judgmental concerning a person's reputation.
- God has created all us to complete his purpose.
- God has ordered our steps and they are divined. When we create our own shortcuts and rearrange our step to get what and who we want sooner...We will surely fail.
- We must follow God's instructions, we must be obedient to God's word **if** we want our Blessing to flow timely.." Right Away".
- God Expects us to do his will....."**because we are His Children**"
- God expects his children to have a relationship with him.. But How? Through PRAYER and Reading his Word; we will get to know our Heavenly Father character and his Love for us (our Daddy).
- When we take **spiritual shortcuts**, we disobey God. This disobedience sometimes results in the forfeiture of tremendous Blessings.
- There are no shortcuts, no barriers to the blessings God has in store for those who fully commits to doing His will His way!

Lesson 3's Devotional Message: "Sowing Good Seeds" (Joseph & Daniel)

Lesson 3 - Creating Environments of Trust

Objective: To show the importance of trust in relationships

We have to believe that God is in control. We have to hold our faith in an environment of Trust. We have to trust that our breakthrough is right here. The Lord is moved by our Faith not our disbelief.

- Has God given you the means "to help others" and have you actually helped others? Sowing Good Seeds....Reaping a harvest 100 fold.
- Do you truly recognize God's Favor in your life and Praise him for his Goodness and Kindness.
- We must sow words of encouragement and support others in their "Dreams" and we must Trust God for the delivery. Remember, if your desirer's line up with God's will, then you can ask for the desires of your heart and God will deliver.
- Whatever matters to you, it matters to God. God is into the "Small Stuff" in our lives.
- Let us always strive, in whatever we do, to create and maintain and environment of trust.

Lesson 4's Devotional Message: "Sunrise of Opportunities"

(Jonah & Jesus)

Lesson 4 Retreat and Recharge

Objective: To emphasize the urgency and importance of submitting to the will of God.

When the Lord guides us, there is no shadow of turning, but bright hope for tomorrow. It is crucial that we realize we can never escape the lessons the Lord has for us.

- How to approach people when you have a problem.
- Choosing the **Right** moment and place.
- Offer kindness even in the midst of a problem "Calm the Beast inside us.
- Disobedient .. Chastisement...Obedience...Responsibility.
- Only God can calm the tempests in our lives. ...Storms will come .. But God can and will deliver us from the storm ..Just hold on **Do not let go of God.**
- Have you ever had an "**EPIPHANY**"? ..the manifestation of a Supernatural or Divine Reality ..a moment of great or sudden revelation... No body but God
- Man will never be able to escape God's divine providence. Our Heavenly Father loving arms are always here to receive us; regardless of our sins.
- God's love is for everybody.
- We are God's vessels that carry his Word of love and mercy.
- Jonah's three-day retreat in the belly of a whale was orchestrated by God Himself.
- As we engage in mission duties, let us always remember how our Lord and Savior retreated (in the heart of the earth for 3 days) and recharged for us. So let us be vigilant in order to be recharged to serve God and others!

Lesson 5's Devotional Message: "Jesus Is Alive!" (Rahab)

Lesson 5 Victory Through Witnessing

Objective: To emphasize the power that is inherent in witnessing to God's greatness and goodness.

Because Jesus Lives, we can face tomorrow. He died and now He Live. Tell somebody that Jesus Lives in you and He lives in me.

- Have you recognized the power of our **Living God**?
- Will you put your life in harm way to help your family or others?
- Only one scarlet ribbon is woven throughout the Word of our Lord. Just one scarlet ribbon changed Rahab's heart and signified the blood of Jesus that can cleanse the most decadent (corrupt, immoral, and degenerate) of sinners. Jesus' blood brings us the victory of salvation. So let us, like Rahab, be strong witnesses for our loved ones. Let us, like Rahab, witness to others about the majestic, sovereign power of our Lord and Savior, Jesus. Our scarlet ribbon is not connected to an old oak tree, but to the old rugged Cross. There is no need to ever wonder if Jesus will love us after a brief separation by way of sin. Jesus is always here, waiting for us with open arms. There is no need to ask anyone to verify if Jesus still loves us. Yes, Jesus loves us. Jesus always has and Jesus always will love us.
