

Dear Patron:

MT Zion Missionary Baptist Church recognizes that there is a need to work together to help grow our Stanton Community. It is my vision and the congregation's vision to network with other like-minded Christians to support our Church and the Stanton Community. We welcome our church members and others who are willing to help us provide services to the Church and the Community.

The purpose of our Outreach Ministry is to help improve lives through the transformation of Jesus Christ and we will be able to help build a thriving and healthier community for our families.

We ask that you share this information with others, and consider participating in our Community Outreach Initiatives and become a Community Partner.

We are requesting an annual donation of \$120. Our Community Partners are listed on our website at http://mtzionstantontn.com/?page_id=1014. We will list our Partner's business name and their website. If you do not have a website, we will publish your business flyer or design a business flyer for you that will share your business purpose and hours of operation.
